BEGINNER COURSES OFFERED

Age 3: Music Wonderland (MW)
This Yamaha course develops your child's musical sensitivity and imagination through singing, story telling, solfege, listening, and rhythm. These activities are designed to create a special time for parent and child to enjoy the magical world of music together.

45 week course 30 min. per week
Parent attends

Age 4-5: Junior Music Course (NJMC)
Because the human ear is at it's best at age 4, this course captures the right time of a child's life for music study. Through hearing, singing, playing and creating, your child will develop musical sensitivity and enjoyment.

2 year course 50 min. per week
Parent attends

Age 6-9: Young Musicians Course (YMC)
This course introduces the older beginner to music in a fun way. Beginning skills which can be tedious when studying alone are accomplished quickly with the motivation of other students. Materials are upbeat and appeal to students.

3 year course 50 min. per week
Parent encouraged to attend
